

Bitumat

The Bitumat is a high speed flameless automatic welding machine for welding modified bitumen (SBS, APP).

Benefits

- Consistent welding results
- Easy operation
- High welding speed
- Continuously adjustable heating and speed
- Pivotal steering bar enhances occupational safety
- Interchangeable driving roller simplifies cleaning
- Integrated bitumen scraper
- Electronic heating element protection

Why Buy From Us

The Bitumat is available only through STANMECH and its distributor network. This innovative welding machine has been designed to remove the need for open flame when welding modified bitumen.

Technical Data – Bitumat

Voltage	V~	230
Power consumption	W	6700
Frequency	Hz	50 / 60
Temperature	°C	20 - 650
Air flow	l / min.	max. 300
Drive Speed	m/min	0.8 - 12
Noise level	LpA (dB)	73
Size	mm	690 x 490 x 330
Weight	kg	42
Approval mark:		QPS
