

LEISTER

PLASTIC WELDING

**Protecting
your Assets:**

**Unit carrying
case from
Leister.**

Order prevails here.

Valuable items need to be protected. Therefore, Leister has developed practical carrying cases for its automatic welding machines and hand extruders. The versatile interior provides enough capacity to accommodate a range of equipment, and ensures that your necessary Leister accessories are kept together in a single orderly place, so that everything is to hand and ready for use wherever you are.

- Practical
- Secure storage
- Transportation protection
- Weather-resistant
- Suitable for the work site
- More efficient working
- Protected Leister design
