

GHIBLI Hot Air Tool

The Ghibli, named for a unique desert wind of north Africa, has a well-designed handle which makes it easy to hold and use in a wide variety of applications including overlap welding of plastic sheeting, welding and bending plastics, butt welding, soldering, drying and shrinking.

Benefits

- Suitable for welding all thermoplastic plastics
- Electronically managed temperature - adjustable from 20 to 600°C
- Two-speed fan switch and adjustable air slide means adjustable air flow from 3 to 300 litres/minute
- Easy to hold and use due to the ergonomically designed pistol grip – can be used free standing or as a hand-held hot air tool

Why Buy From Us

The Ghibli is available in Canada only through STANMECH and its distributor network. We offer same-day shipping and we service everything we sell from our facility in Burlington, Ontario, Canada.

Technical Data - Ghibli

Voltage	V~	120, 230
Power consumption	W	1500, 2000
Frequency	Hz	50 / 60
Temperature	°C	20 - 600 steplessly controlled
Air flow	l / min.	Level 2: 300 Level 3: 350
Pressure stat.	Pa	Level 2: 1500 (15 mbar) Level 3: 2100 (21 mbar)
Emission level	LpA (dB)	65
Size	mm	195 x 85 x 160, handle ø 57
Weight	kg	1.2 with 3 m cord
